

MEMBERSHIP REGISTRATION FORM

The Drilling Safety Association would like to welcome you as our newest member. We encourage you to actively participate in any way that you can help to make this organization a better resource for your colleagues!

OUR MISSION

Our mission is to serve as the global focal point for all professionals of the international drilling community to share information, ideas, technology, and resources for a common goal: **SAFETY.**

WHO SHOULD JOIN?

This Association is open to:

- **Drilling Contractors of All Natures**
- **Equipment Manufacturers**
- **Related Associations**
- **Consulting Engineering Firms**
- **Mining/Exploration Representatives**
- **Anchoring & Shoring Consultants**
- **Machine Guarding Specialists**
- **Safety Groups**
- **Media Representatives**
- **Educational Institutions**
- **Government Labour Board Officials**
- **Everyone is welcome, regardless of your industry!**

WHY SHOULD YOU JOIN?

WORKER SAFETY is our primary goal! The more divers our pool of contributors, the more comprehensive this resource and service will be for everyone. We look forward to your input, and hope that we can provide the tools you require to **DRILL-SAFE!**

MEMBERSHIP REGISTRATION FORM

Please fill in the following information in its entirety. The DSA will contact you if we have any questions, or to confirm approval of your membership application.

Name: _____

Company (Legal): _____

Position: _____

E-mail Address: _____

Company Mailing Address: _____

Drilling Types: _____

Membership Categories:

TECHNICAL MEMBER - \$250.00 USD/year

Anyone with an invested interest in drilling who does not actually perform the physical act of operating the equipment to drill the hole.

This includes (consulting engineering firms, anchoring/shoring, educational institutions, mining/exploration representatives, media members, government labour board officials, etc..)

CONTRACTOR MEMBER - \$500.00 USD/year + \$20.00/employee

Anyone directly involved with the physical act of drilling the hole.

This includes all drilling contractors and their employees. The fee per employee is to cover the costs of issuing training packages and Certified DSA Drilling Technician ID Cards. *Please only include employees who would require certification (ie. Drillers, helpers, fluid engineers, H&S representatives, etc...)*
